

# fish4 at Fulham Palace Gardens

## Overview

- This was fish4's first team challenge in the local community
- 14 volunteers participated as part of the annual Make A Difference Day Campaign
- Fulham Palace Gardens is the Boroughs most famous green space
- Staff spent the day revamping a historic bed, creating a walkway for children and families and improving the appearance of the main part of the garden
- Surprise visits from 2 local MPs who praised fish4's good work

## What people said

“The day was perfect – everyone pulled their weight and worked really hard and I think we all **got to know each other better** as a result.”

- Team leader, fish4

“We’re convinced that volunteering challenges are beneficial for everyone involved, since employees get to **build bridges** with the **community and with each other**”

- Director, Volunteer Centre
